**Pass/Fail or Sat/Unsat -**  
Students may take up to 2 electives courses or related field courses that are graded Pass/Fail or Sat/Unsat. This includes concentration credit issued for study abroad. Joint concentrators must take all courses for a letter grade.

**92R Faculty Research Assistantship Program -** Counts toward one of the 2 elective courses that concentrators may take as Sat/Unsat. Joint concentrators may participate in 92R, but they may not count it for concentration credit.

### Double-counting courses:

- **Secondary Field** – Students may double-count one course for both their concentration and secondary field.
- **Double-concentration** – A limit of 8 credits (generally 2 courses) may be double counted between the two concentrations.
- **Joint concentration** – No courses may be double counted between the primary and allied concentration.
